1. BuduChat Cracked Version is a very simple LAN messenger system. Users only need to specify the IP address or computer name in the network to start sending message. BuduChat Description: 2. Weird Love: Jessica Alba Jessica Alba may be the quintessential glamazon, but she just can't seem to get along with some of the more famous moms of the day. Jessica's "slight obsession" with Jennifer Lopez and Brad Pitt has been an open secret for years, but there's no denying that Alba holds an even stronger bond with her younger half-sister Honor, who was born three years before Alba. And it's not like the two don't get along, anyway—Alba's mom, Maribel, has told V Magazine that her daughter is "so

good with her." However, she added, "She's very different. She's really serious and quiet and super-mature. She's a little princess, really." Alba recently opened up about her sister—on E!'s "Hollywood Extra" show—touting their relationship as one of the great success stories of Hollywood. "She and I are so close," Alba said. "We're like sisters. We're just like best friends. We're so tight." Alba also teased that the bond between her and Honor is unique, and that's the only reason she tries to pretend it doesn't exist. "I would really like to go back to being normal, but I don't have a sister, and I don't have a mother, so I think that my sister is the only sister I have," she explained. The actress said that she has "a few" close friends, but after a certain age, people

lose interest in "chasing each other around." Alba said that she's learned to "settle down," and "get a job." While we may not know what's going on in Jessica's "private life," we do know that her husband, Cash Warren, and their two daughters are incredibly close. The family lives in a house in Toluca Lake that's "very spartan," according to V Magazine. As for Alba's career, she's gearing up for the release of her new movie, "The Eye," in which she plays the wife of a man who has a pair of severed hands. Alba also stars opposite two pretty rock-star-
